Saturday was a bust. The weather was so nasty that the thought of playing in the dogfight sent shivers down everyone's spine -- all but Martin Knotts; he'd play through a blizzard without even a dare! Thus, there was no sanctioned event for Saturday.

On Sunday, the weather was better and we had some players.

I have an apology to make to the majority of the MGA membership. Don and I had a communication breakdown on Sunday evening. It turns out that a decision was made to hold a dogfight/skins game on Monday. Those that were there on Sunday knew of the decision, but others were unaware. Again, my apologies.

On the bright side, we now have a player who dares to compete with Gil Violette. That player is Johnny Buck. Good shooting for both days, Johnny. That should teach Gil we're not all a bunch of spineless, no-talent, easy-pickin' hickory nuts down here! Lol.
