This weekend we combined the start of the new playing session with the Championship games from the previous session. The weather was perfect and everyone's attitude was impeccable. The only thing missing... our "A" games!! That is, of course, except for one person.

Our 2004 Summer Dogfight champion joined us late in the year and was under the gun for each and every qualification round as he fought to get into the

Championship. The most amazing thing is that our new champion has only been playing golf for a grand total of four years!

I had the good fortune to play with him in the last round and was overwhelmed by the composure and tenacity this true gentleman displayed. I'm quite proud to announce our 2004 Summer Dogfight champion: GIL VIOLETTE. Please congratulate Gil for his fine play. You could also ask him to buy you a beer... he sure earned enough of our money!! LOL.

Whew! That's a lot of tournament coverage in one document! Let me finish by saying this:

Mike Rainwater, Don McGinnis, and I have all truly enjoyed working for you this year and look forward to serving you next year (along with our newly elected co-director, Martin Knotts). We have a solid core membership to begin 2005 play and we hope to get more members – just like you.

Thanks for all that each of you do to make our golf a more pleasurable experience.
